### Reflection

We must ask ourselves, “Do I have a relationship with Christ to the point where I am running to Him each day?” The way these disciples responded is how we should respond to Christ. We must avoid complacency, and as intentional disciples, we must stop rationalizing our choices by telling ourselves we will someday get around to putting God first. Every moment throughout our day is an opportunity to respond to God in gratitude, compassion and eagerness. And although there will be moments when we do not “feel” like responding to Him, it is in those moments when we faithfully respond anyway that matters the most.

### Stewardship

Let us celebrate this glorious day with prayer and feasting, for Christ is risen! And let us strive to carry this Easter joy with us all year long by how we respond to Christ each day. Happy Easter!

**Year of the Domestic Church:** Prayer: O God, creator of all, you ordered the earth to bring forth life and crowned its goodness by creating the human family. In history's moment when all was ready, you sent your Son to dwell in time, "practicing the virtues of family life and in the bonds of charity." Teach us the sanctity of human love; show us the value of the Domestic Church; and help us to live in peace with all people, that we may share in your life forever. With the intercession of St. Joseph, Patron of the Universal Church, we ask this through Christ the Lord. Amen.  
**Month of April is Love Your Neighbors.**

**Note from Father Joy:** Dear Parishioners, First of all I would like to wish you all A Happy Easter. This is a very special kind of Holy Week and Easter celebration for me. This is the first time ever in my life that I can remember that I could not be in the church with the worshipping community for the most important celebrations in the life of the Church. I really miss church and people. Though I cannot be present with you all in person, I am with you all in spirit and prayers.

This is a moment of big " Thanks" to God and each and everyone of you. Thanks be to God for a "new life" that He has given me. Thank you all for your prayers and love. I am getting better. It takes time for recuperation and healing. I am looking forward to the day when I can be with you all to celebrate Holy Eucharist and offer the sacrifice of praise and thanksgiving to God.

Let us rejoice and be happy because Jesus is risen.

God bless you

Fr. Joy J Adimakkeel
