Reflection

On this Feast of the Holy Family, let us reclaim the beauty and importance of family life. Let's commit to steward our families well in 2022, making time spent with God and practicing our faith the most important appointments on our family calendars.

Stewardship

We can take their example to heart by making Sunday Mass attendance a priority for our families, by making prayer with our family a priority every day, by making sure that we regularly celebrate the sacrament of reconciliation, and by observing in our family life the feasts and fasts appropriate to the liturgical calendar. When we, as families, prioritize our Time with God and worship of Him we will be imitating the Holy Family.

Year of the Domestic Church: Prayer: O God, creator of all, you ordered the earth to bring forth life and crowned its goodness by creating the human family. In history's moment when all was ready, you sent your Son to dwell in time, "practicing the virtues of family life and in the bonds of charity." Teach us the sanctity of human love; show us the value of the Domestic Church; and help us to live in peace with all people, that we may share in your life forever. With the intercession of St. Joseph, Patron of the Universal Church, we ask this through Christ the Lord. Amen.
Month of December is HAIL MARY, FULL OF GRACE!
