Reflection

How easy it is for all of us to backslide on changes we have made in our lives, especially when it comes to our spiritual lives. But look how Jesus treats the disciples during their “backslide.” He is right there with them in the midst of it, already waiting for them on the shore when they come back from their unsuccessful return to the fishing business (after abandoning their mission as disciples). Our Lord greets them tenderly, gives them some fishing pointers, and then prepares their breakfast. How gracious He is to them!

Stewardship

This constant process of turning back to the Lord, of reevaluating our goals and priorities as we aim for Heaven, is the essence of a stewardship way of life. Let us take heart as we continue our journey today, secure in the knowledge that Jesus is beside us every step of the way.
