Reflection

Today we reach the finale of the Easter season with the celebration of the great Feast of Pentecost. Reflecting on today’s readings inspires a sense of awe as we consider the mighty power of the Holy Spirit at work giving birth to and sustaining our Church. Just as awesome — the same Spirit is calling to us this day to take up our part in the Church’s saving work.

Stewardship

When we consider the stewardship way of life we are called to live, we often focus on the challenges it poses. Surrendering ourselves to God is indeed a challenging way to live. But it leads to a life that is exciting, creative, and deeply rewarding. Stewardship allows us to experience life as a great adventure because it is a life guided and directed by the very source of power and creativity — the Holy Spirit!
