Reflection

Today's readings make very clear the demands that will be made of those wanting to be called disciples of Christ. We must be prepared to give our all to Him. But in the end, the life of discipleship — the stewardship way of life — is the only life that can truly satisfy.

Stewardship

He knows that if we do not live by putting Him first before all else, we will easily be swallowed up by the earthly cares that weigh us down — our material things, our status, and our egos. He knows these things cannot satisfy us. He knows this because He is our Maker, and He made us for more.

We are made to be His disciples, to seek after Him and His Kingdom. Embracing stewardship as a way life allows us to count the cost, and then run after Him with all our might.
