**Reflection** 

Our readings today show us that living a stewardship way of life, that is, a life focused on serving God and His Kingdom, is not easy. They also show us that our lives belong to God, not to us and that God will indeed bring about the fulfillment of His kingdom. We just need to have faith that He can do it and commit to our small part in His grand design. This is both our privilege and responsibility as Christian stewards.

**Stewardship**

The time, talents, and treasure entrusted to us are all God's. Our very lives belong to Him. Whatever we do on God's behalf with our lives and our gifts is simply our God-given responsibility. The stewardship way of life makes the privilege and responsibility of serving Christ and His kingdom a reality.
