Reflection 

Pursuit of God’s kingdom and care for the poor are not trifling matters. Our Lord makes this clear to us over and over in the Scriptures and the constant teachings of our 2,000-year-old Church. We are free to ignore these teachings and live instead for ourselves. But there will be tragic results for us in the end. And, because we are made for eternity, living selfishly on this earth doesn’t really bring us true happiness anyway.

Stewardship

So how can we use our great powers for great good? By embracing a stewardship way of life. By putting God first in all areas of our lives — in the way we spend our time, the ways we share our talents, the ways we give of our financial resources. Stewardship living calls us out of our comfort zone and into commitment to the Lord and the things that matter to Him.
