**Reflection** 

In the Gospel passage from Luke, Jesus illustrates the humble attitude we must have as we approach God in prayer through a parable of two praying men. One is a Pharisee, a man with respected status, theological training and all the right credentials. He marches right up to the front of the temple to speak a prayer “to himself,” thanking God for making him just a little bit superior to everyone else!

**Stewardship**

The tax collector, by contrast, emptied himself as he approached God. He recognized who he truly was (a sinner) and asked simply for mercy, leaving all the rest up to God. This is the kind of attitude that God can work with! This is how a good steward prays — with trust, with complete openness to God’s will, with a listening mind and heart, ready to serve as God leads.
