**Reflection** 

We see the power of gratitude on display in the Gospel passage from Luke after Jesus heals ten lepers. “And one of them, realizing he had been healed, returned.” Only one of the ten recognized the tremendous blessing he had received from Jesus and returned to thank him. While it’s easy to feel indignant at the failure of the nine others to return and thank Jesus, how often do we fail to recognize the blessings, answered prayers, and healings (both physical and spiritual), that the Lord showers upon us, day and night?

**Stewardship**

Gratitude begins within our minds and hearts when we take the time to recognize how blessed we truly are and when we have the humility to recognize where these blessings come from — our merciful and loving God.
