Reflection

On this magnificent Christmas Day we receive the life, and we receive His light. It is no wonder that all our readings reflect that life and that light and the joy that results. Just listen to the words and phrases we find in the First Reading from Isaiah. These are perfect descriptions of what we should feel on this day: “beautiful; glad tidings; peace; good news; salvation; shout for joy; break out in song.” What a summary of this day!

Stewardship

Pope Emeritus Benedict XVI once said this about Christmas: “Joy is the true gift of Christmas. We can communicate this joy simply: with a smile, a kind gesture, a little help, forgiveness. And the joy we give will certainly come back to us... Let us pray that this presence of the liberating joy of God shines forth in our lives.”
