Reflection 

As our celebration of Christmas continues, today we observe the great feast of The Epiphany of the Lord. The word “epiphany” comes from Greek and means manifestation or appearance. The stewardship way of life is one in which we live in grateful response to God’s countless manifestations in our lives.

Stewardship

As good stewards, the magi were watching for manifestations of God’s presence in their lives. “We have seen the star at its rising,” they say. Good stewards are keenly aware of the “star” of God’s presence and His gifts in their lives. It is this awareness that fills them with gratitude and the desire to both worship God and share His gifts with others.
