Reflection 

Today's readings challenge us to reflect on the true state of our hearts as it relates to stewardship. Do we think of stewardship as something we take care of once a year, simply a matter of ticking off boxes on a commitment card — or do we choose to embrace it as a spirituality and way of life that allows us to grow in conformity to Christ every day?

Stewardship

In the week ahead, let us examine the state of our hearts to ask ourselves if we have chosen to allow stewardship to become a way of life for us. Only then we will experience its true depth and heart-changing possibilities. The choice is ours.
