**Reflection**  
 As we begin the beautiful and challenging season of Lent, our readings this week remind us why we need these 40 days so much. They also suggest a particular strategy we Christian stewards might take as we make the journey toward Easter. Our first reading takes us all the way back to Genesis, reminding us of our Creator and the loving care and lavish gifts He gave to our ancestors, Adam and Eve. He created them out of pure love and provided abundantly for them.

**Stewardship**

This Lent, let's embrace this 40-day spiritual reset. Let's commit to prayerfully studying the Scriptures. This could take the form of a daily family Gospel reflection, a few moments with the Psalms at the beginning of a lunch break or any other countless ways. If this requires a bit of "fasting" from social media or a favorite TV show in order to find the time, all the better since Jesus Himself fasted for 40 days, too. As faithful stewards, we are called to prioritize our use of time to seek relationship with our loving God. Let's get to know Him better by studying His Word this Lent!
