Reflection 

Our first reading, from the book of Exodus, begins with the words, “In their thirst for water, the people grumbled against Moses.” What little faith and lack of trust they show after all God has done to free them from slavery. But Moses cried out to God for help, and sure enough, God provided generously to satisfy their thirst. He continues to provide generously for us these many centuries later.

Stewardship

God has chosen to include us in His plan for bringing all people to salvation through Him. We live out our part in His plan through a stewardship way of life. This Lent, let us resolve to respond to His call with passion and commitment. Let us do our part to quench His thirst.
