Reflection 

In our Gospel passage from Matthew, Jesus reminds us of the true position we have before Him in light of all that He has done for us, comparing the kingdom of heaven to a “king who decided to settle accounts with his servants.” In the parable, a debtor is brought before the king, owing such an overwhelming debt that it could not possibly be repaid. Yet, the king is filled with compassion for the servant, forgives the debt and lets him go free.

Stewardship

Doesn't that sound like each of us in relation to the King of Kings? The Father has given us life, and then sent His only Son to die for us to free us from our sin “debts” and make eternal life with Him possible for us. It is impossible for us to repay this debt. All we can do is thank God by giving Him our whole selves — inside and out.
